Dear Friend,

Imagine hundreds of boys and girls, many with nothing to do, coming together to a community outreach. An outreach designed to teach character-building concepts helping youth k – 12th grade, learn more about the game of basketball and improving their skills. We provide a high quality, low cost, character-building experience through athletics! Youth are instructed how to develop the Six Pillars of Character: *Trustworthy, Respectful, Responsible, Fair, Caring and Citizenship* by current and past players from the college and professional ranks.

Imagine a season packed with activities, exercise, challenging tasks centered on things athletes love: different levels of basketball competition, teamwork and traveling throughout NJ and abroad. Our priority is to help develop our youth, prepare them for college and / or life. We have partnered with the leading trained sports organizations and educators in our area.

Woodbridge's finest in the Police Department / Fire Department / First Aid / High School Teachers / Business Professionals and Parents join us in this endeavor as coaches. Our community has been positively impacted by the fellowship between the youth and noted volunteers, building relationships.

We are excited about our 2017 - 2018 season. We have in the fall recreation and travel, our AAU program begins in the spring of 2018. We have two major events each season, our mid-season All-Star Game February, 2018 and Championship Sunday March, 2018! The season is scheduled to begin **October 2017**. Consider partnering with us! Take a moment to review the sponsorship packages; we look forward to hearing from you.

TESTIMONIALS

"As Mayor, I am involved with over 50 different sports leagues in Woodbridge Township. Only a few have the leadership, commitment and dedication to our youth as the Wizards do. The leaders teach respect, sportsmanship and teamwork! Trust me when I say it doesn't hold true for all of our leagues. They have tremendous success in township competition in many levels. I have the privilege of interviewing some of their kids throughout the year, their commitment transcends off the court by how the players conduct themselves. I truly value the contribution that the Wizards program deposits in the youth of Woodbridge Township."

--- John McCormac - Mayor – Township of Woodbridge, NJ

"My son started the season with a 'deer in the headlights' mentality. The coaches began to teach him the game of basketball during practices and games. I noticed a significant change in his ability and basketball knowledge. Come playoff time, he did dropped a midrange jump shot, off a 360 spin move that was awesome! His game is heading in the right direction thanks to the wizards organization."

--- Spencer Bailey - Trooper – New Jersey State Police

"I am the father of 5 children (3 boys and 2 girls). Seventeen years ago we signed up our oldest son in the Woodbridge Wizards Program. Over the years we watched him learn the sport of basketball from coaches who cared about his growth as a young man and his development as a player. Our girls joined followed by our twin boys. My oldest son is 22 now; he's a teacher / coach in a local high school. Many of the values that he learned from the Wizards program he is passing on to the next generation. We are deeply grateful for the community Woodbridge Wizards helped create."

--- Kyle Anderson- Councilman – Woodbridge, NJ

"The Wizards program has provided our daughter with a tremendous opportunity to develop their basketball skills and to learn the values from teamwork, sportsmanship and hard work. It is a first class organization that truly cares about the kids."

--- Bobby Timinski- Girls Head Coach- Woodbridge High School

Character Development

Throughout our basketball season we are dedicated to each child, boy, girl, young and older committed to their development. Wizard Nation consistently trains and develops each child in basketball knowledge and application. We instill the six pillars of character in each of our programs. The progression we envision is for each child to start in recreational basketball and transition into our travel program, striving to reach the AAU level of play. All of our kids will not reach AAU lever or travel, but the journey will impact them by strengthening their character!

Overview:

The Six Pillars of Character **is a framework** we have adopted from www.charactercounts.com. It is composed of six ethical values everyone can agree upon: Trustworthiness; Respect; Responsibility; Fairness; Caring; and Citizenship. Each of the six character traits are used during the season! It is used to help instill a positive learning environment for players and a “culture of comradery” making Wizards Nation a safe environment for young athletes to learn. The Six Pillars of Character values are **not** *political, religious, or culturally biased*. In fact, every year since 1995 Character Counts has been officially recognized and endorsed by the **U.S. Senate and The President of the United States**. The chart below details the 6 Pillars of character-building points for this year’s Woodbridge Wizards Season.
